

2018 SUMMER SCIENCE CAMPS

Summer Science Camp is an interactive, FUN experience, designed for children to explore different areas of science through hands-on experiments and demonstrations. All camps are for children entering kindergarten through fourth grade in Fall 2018, except as noted. Camps meet weekly, Monday-Friday, from 8 a.m. to Noon, and all of the activities are supervised by experienced staff and camp counselors. Register for Bricks 4 Kidz camps (see reverse) and stay all day, 8 a.m.-5 p.m. (Eat a sack lunch from home supervised by camp staff.)

Space Trek

June 11-15

Do you know an aspiring space cadet? We have an out of this world experience for you! Join us for a week to explore fictional space worlds, as well as real-life space from NASA. You won't want to miss this space adventure!

Messy Science Camp

June 18-22

Experiment with chemistry, create gooey globs, colorful concoctions, and exciting explosions. The world can be a messy place, join us to make it even messier!

Exhibit Designer Camp

June 25-29

All aboard! Train-lovers unite to plan a future exhibit for the museum in this project-based learning experience. We'll learn about trains, how exhibits are developed, and then suggest designs to museum staff. Sign up today for your ticket to ride!

Pre-K Explorers *Ages 3-5*

July 9-13 M-W-F

This camp is for our youngest friends (ages 3-5 years). The age-appropriate three-day session will allow young campers to have fun exploring living things in our neighborhood. Discover what is living, how it grows, and what you can do to make your neighborhood a better place. Children must be potty-trained.

Health & Heights Camp

July 16-20

Take on new heights with this heart racing new camp! Climb with us as we explore our new Ropes Challenge Course. Jump, pull, bend, push, balance your way through camp to make your body healthy and strong. Hurry and grab on before it's too late!

Camp Code

July 23-27

Calling all young tech enthusiasts- this is the perfect camp for you! There is so much more than screen time. Learn about the basics of technology through play and hands-on activities then practice coding your own project. You won't want to miss this high tech adventure!

Includes:

- Hands-on activities
- Playtime in the museum
- Snack is served daily
- Weekly guest or field trip
- A camp t-shirt
- Time on the Ropes Challenge Course

For registration, apply online or download a form; visit thchildrensmuseum.com/camps.

Cost: \$125 Non-member; \$115 Members;
PreK Camp \$85 Non-member; \$75 Members.

For more information or to receive a copy of the scholarship form, contact Alex Hendrix at 812-235-5548 or email at ahendrix@terrehautechildrensmuseum.com

Location: Terre Haute Children's Museum
B4K Camps are Monday-Friday 1pm-5pm
(Register for morning Children's Museum camp and stay all day, 8am-5pm)

Register by May 1st for Early Bird discounts
Children's Museum Membership discount avail.

June 11 - 15

Star Wars Camp

Join us on an adventurous journey through space! Build the Redstone Rocket to blast through the atmosphere into a realm that is truly out of this world. Travel to a galaxy far far away where you can build classic brick and motorized models that represent characters and spacecraft from your favorite popular space movie. Come experience this stellar journey to a galaxy far away!

June 18 - 22

Minecraft Camp

Experience the world of Minecraft with LEGO® bricks in this fun camp. Kids will start by crafting their shelters and some of the mobs, critters and tools using LEGO® bricks. Students will face new challenges each day, building models and crafting key elements from the popular Minecraft game.

June 25 - 29

Ticket to Ride Carnival Camp

Campers will build a new ride each day, learning how to make things spin, roll, turn and rock. Then they will take what they have learned to design their own thrills and challenges. Motorized models maximize the action and the fun. Each camp day includes carnival-themed games, group challenges, model-building and more.

July 16 - 20

Sports Spectacular

Explore sports ranging from gymnastics to soccer, mini-golf to airplane acrobatics! The best part of this camp is to see the way the motorized models move and the fun they have playing with them after they're built - hitting a plastic golf ball with the mini-golf model, watching the gymnast flip on the bar and seeing the tiny airplanes spin around and around on the air show model.

July 23 - 27

WeDo 2 Coding Camp (ages 7-12)

Bring LEGO® Bricks to life with coding! The ability to code is a key component of technology education today. Our programs offer skill level progression of coding concepts as students advance through multiple levels from beginner through advanced. Students will build models with LEGO® Education's WeDo elements, then control their models with the codes they write.

July 30 - Aug 3

Summer Mashup

We've combined the best of the best of all your child's favorite themes and characters during Summer Mashup camp including Star Wars, Super Heroes, Ninjago, Minecraft and Pokémon to name a few. Kids will love to design and build their own special creations incorporating their favorite LEGO® themed models.

Camp Pricing & Registration:

- Afternoon Sessions: 1:00 pm- 5:00pm
- Register for morning camp at the museum & Bricks 4 Kidz in the afternoon to stay ALL DAY!
- Pack a Lunch for Supervised break 12-1pm daily.
- Register at: <https://form.jotform.com/thcm/2018-camp-registration>
